The New  
Caesarstone Sink

## Presenting the New Caesarstone Sink

With the same leading attributes as Caesarstone surfaces, the new Caesarstone Sink is scratch, stain and heat resistant; strong and durable with easy care and maintenance. Caesarstone sinks have an extensive long term guarantee.

### Providing two overall design options:

#### **Total Look**

A Caesarstone sink matching in colour and texture to the paired Caesarstone countertop. Specifically designed to provide a clean, monochromatic, uniform design.

#### **Mix & Match**

One of five Caesarstone Sink basic colours in a beautiful design combination with a wide variety of Caesarstone surfaces. Design options range from a strong contrast combination to a more harmonious blend.

Available in 5 matching and basic  
Caesarstone surface colours
